

SIMPLY SLIM RECALLS PRODUCTS

5TH FEBRUARY 2010

URGENT MEDICINE RECALL

Simply Slim Capsules General Recall – Class 1; Type A Recall

Name of Product: Simply Slim Slimming Capsules
Dosage: Capsules (all)
Pack Size: 30 Capsules (5 cards X 6 Capsules)
Batch Numbers: All
Expiry Date: All

Following the Medicines Control Council suspension of the sale of Simply Slim Capsules in a directive issued by the MCC on Tuesday 2 February 2010), Simply Slim (Pty) Ltd has issued an Urgent Medicine Recall in terms of the MCC's guidelines.

Simply Slim capsules are being recalled due to certain samples testing positive for Sibutramine, a Schedule 5 substance which may only be prescribed by a doctor.

Simply Slim customers are advised to cease taking Simply Slim capsules with immediate effect.

The presence of Sibutramine in Simply Slim capsules could have harmful side-effects including nausea, headaches, psychological effects and cardiovascular events.

Customers who have Simply Slim capsules must return them to Simply Slim Agents, Sub Agents or to the Simply Slim Head Office:

97 Nicolson Street
Brooklyn
Pretoria

Address any further enquiries to the Simply Slim Call Centre on 0861 4 SIMPLY SLIM (0861 4 7467 597546).
